## Kite & Paper Airplane FLIGHT WORKSHOP

Come enjoy a family-friendly afternoon building and designing kites and paper airplanes with the **Lab Ratz Science Club** and the **Doodlebugz Art School**. The Wildwood Golf Club invites children ages 3-10 and their parents to join us for a **Buffet Lunch** and an exciting afternoon of building, creating, designing, flying and playing!

First, each child will learn all about the science of flight and how to build and create cool kites and paper air planes. They will get to design and decorate their own kites and airplanes, and then go outside to watch them fly in the sky!
